

# Give Back to Mom

By [Bonnie Kimberly Taylor](#)

Moms of all shapes and sizes can snuggle with children of all shapes and sizes in this oversized, comfortable **Kangaroo Blanket** by Hollandia International. Made from exclusive material that contains aloe vera for extra softness, this blanket is ideal for nursing, reading, watching movies, traveling and napping. Deep pockets can store everything from wipes, books and a pacifier to the remote and a cell phone. Washable and hypoallergenic, the material is completely safe for babies. Available at Hollandia International, a company founded by a former Israeli artichoke farmer, where some of the world's most luxurious sleep systems can be found. Take note, pregnant moms!
