Hollandia Platinum-Luxe Elite sleep system

I bet you would never want to get out of the Hollandia Platinum-Luxe Elite sleep system. It boasts loads of other luxury options besides a retractable 32-inch Sony Bravia HDTV integrated into the bed's footboard. The TV sits 80 inches from the headboard, slightly exceeding the normal 1:3 ratio of screen size to viewer distance, and the brightness dynamically adjusts to the ambient light, to reduce eye strain. The Elite is also equipped with a Sony Bravia theater system that includes a five DVD/CD changer, a five speaker surround sound system, a subwoofer beneath the bed for a complete hi-end experience, and an iPod docking station. Last but not the least; the bed gently adjusts to a comfortable reclining position. And, the the most useful feature is the integrated massage system that features four powerful motors with a micro-computer that provides 12 individual massage programs, and a 30-minute automatic shutdown. It also has a 13-inch retractable back-sliding system and Hollandia's telescopic head support. All the features are beautifully engineered into the bed, there are no unsightly wires visible in the room. The bed looks gorgeous design-wise too. The base is covered in Italian-designed fabric, which is a new, 100 percent synthetic fiber that protects the frame from pets. The Elite is available in white or gray to complement any bedroom decor.
