Founded in 1976, ICA was one of the first companies to provide framed graphics on a large-scale basis to Retailers in the United States. In addition, Retailers were provided replenishment orders with very fast deliveries ensuring higher in-stock store inventories and increasing sales. Today, our Company keeps its finger on the pulse of the art world to bring gallery-like products, with compelling prices, into the homes of millions of consumers every year.

World Market Center is a dynamic new showcase for the home and hospitality contract furnishings industry in the heart of Las Vegas, the fastest-growing upscale market in the country. When completed in 2012, World Market Center will have

more than 12 million square feet of state-of-the-art exhibit space in 8 buildings on 57 contiguous acres in downtown Las Vegas. All segments of the industry will be together on one mega-campus, making it the largest, most comprehensive, most accessible showroom and convention complex in the industry.
