[WHAT'S NEW] GET MORE FOR YOUR MONEY

Talk about a space-saver. If you plan on having family or friends visit this summer but don't have a lot of room in your home, check out the Hollandia Convertible. It's an ottoman that can be used as a coffee table or foot rest during the day but folds out into a twin or full-sized bed at night.

According to a press release, the Convertible comes with an all-natural latex mattress. The Convertible retails for \$899.99 and can be found at www.hollandiaus.com.
