My lord, This bed means serious business. The Hollandia Platinum-Luxe Elite bed is going to offer a challenge of getting out of bed to anyone who purchase this pricey bed. The Hollandia Platinum-Luxe Elite bed has everything but the kitchen sink in it. The stuff implemented in the bed is amazing. The Bed has the following stuff in it:

- An iPod docking station built into the headboard
- Retractable 32-inch HDTV with surround sound
- A CD player that rises from inside the footboard
- A Sony BRAVIA® Theater System with a five DVD/CD changer
- A 12-program massage system mounted under the bed

All this stuff makes the price tag worth it. This has truly set the bar high for other ultra-luxurious bed.
