### MALL MADNESS

Need some shopping therapy? Then a trip to [THE MALL AT SHORT HILLS](#) might just do the trick with six new shops: Alain Mikli (eyewear), Hollandia (sleep systems), Juicy Couture and Madewell (women's clothing), Samsonite Black Label (luggage) and True Religion Brand Jeans (denim and tees). Five of the stores are exclusive to New Jersey and all feature the incomparable design that makes The Mall a tri-state shopping destination.

Each offers something a little different to please the soul, whether you are looking for designer eyewear, perfectly tailored jeans, a good night's rest or classic luggage for your next journey.
